Salt Lake's Great Winter Resort

The Auditorium Roller Rink

Richards Street

Open for the Season of 1907

ANY improvements have been made at Salt Lake's big Auditorium. The Company has purchased a large electric Floor Surfer to be used solely on their own Rinks at Salt Lake City and Ogden. This machine will keep the floors in perfect condition, level and clean. The building is also being repainted and decorated and new skates have been purchased.

A first class place of amusement for all respectable people. We cordially invite parents and their children to make the Auditorium Rink their headquarters for exercise and amusement. Every thing possible will be done to make it pleasant. Ladies will not be charged admission at Matinees and are especially invited to drop in and spend a few minutes, if only to take a little rest when shopping. Children will not be admitted to evening sessions unless accompanied by their parents or other proper escort.
